

Build a Beringian Biome- Student Reflection Sheet

1. What Ice Age animal did you choose and why?
2. What are three things your animal needs to survive?
3. Choose one of your animal's senses. How does it help it survive?
4. What challenge might your animal face and how would it respond?
5. What is your favourite part of the biome you created?
6. What is one thing you learned about Beringia or the Ice Age?
