

EXTREME WINTER

+1 food cost for all species, humans lose ability to gather.

RAPID WARMING

Mammoth, bison, wolf, and scimitar cats all get +1 food cost

GRASSLAND BOOM

If a herbivore successfully forages twice, they gain +1 additional food

POOR VEGETATION QUALITY

Herbivores need +1 food

PREY COLLAPSE

When hunting, predators and humans need +1 on top of the listed number to succeed

PREDATOR SURGE

When hunting, predators and humans need -1 below the listed number to succeed

FLOOD

The two 'winning species' give two members of their population to the two teams in last position.

STABLE YEAR

All species receive 1 food and an additional member of population.
